

# St Luke's C of E Primary School – Topic Overview

## Year 2 – I do like to be beside the seaside!

### Enquiry Questions

Where is Bournemouth?

Why do people come to Bournemouth?

What foods give us energy?

As Geographers, we will be studying our local area. We will be learning about the weather in Bournemouth and how to changes throughout the year. In addition to this, we will also be exploring map work and drawing our own.

As Artists, we will be exploring the artist Andy Goldsworthy and we will be studying different ways of creating sculptures. We will be learning how to manipulate clay before creating our own clay artwork.

### Key Vocabulary:

Bournemouth map key beach  
cliffs tourists  
sculpture manipulate print

In Jigsaw, we will be learning about how to keep our bodies healthy. We will look at what foods give us energy and what we could eat for a healthy snack.
